

Attending for a Dental Appointment

Patient information

- Cannot bring anyone into the building with you:
 - (exceptions: children under 16 and translators)
- Must arrive no earlier than 5 minutes before your appointment.
- Please use the toilet before leaving home
- The dentist may want to speak to you before seeing you in the surgery
- Must ring the practice number on arrival as the door will be locked.
- Must stand back and wait to allow time for the door to be unlocked and the staff member to stand back to allow social distancing.
- Must clean your hands immediately on arrival with hand gel.
- May need to have your temperature checked
- Must comply with 'social distancing' requirements.
- Must avoid touching door handles.
- Must leave immediately once the appointment has been completed. You cannot wait in the building for your 'lift'.

Thank you from all the staff for your co-operation during this time.
